

South Dakota's Forgotten Middle

Middle-skill jobs, which require education beyond high school but not a four-year degree, make up the largest part of America's and South Dakota's labor market. Key industries in South Dakota are unable to find enough sufficiently trained workers to fill these jobs.

Jobs by Skill Level, South Dakota, 2015

Demand for Middle-Skill Jobs is Strong

Fifty-five percent of all jobs in 2015 were middle-skill.
