

Washington's Forgotten Middle

Middle-skill jobs, which require education beyond high school but not a four-year degree, make up the largest part of America's and Washington's labor market. Key industries in Washington are unable to find enough sufficiently trained workers to fill these jobs.

Jobs by Skill Level, Washington, 2015

Demand for Middle-Skill Jobs is Strong
Fifty-one percent of all jobs in 2015 were middle-skill.

Source: NSC analysis of Bureau of Labor Statistics Occupational Employment Statistics by State, May 2015.
